

## STAFF

In my Brussels office, apart from my Vice-Presidential assistant, I employ a full-time research assistant. In the UK I have three service providers for: administration and payroll; a regional PR company; and a senior political adviser, all VAT-registered. I also have a London Press agent, a regional political adviser and part-time project assistants, as well as a Chartered Accountant to handle certification. None of the above is a family member or related to me.
