Staff and Support Services - Philip Bradbourn OBE MEP

My arrangements for the office administration and staffing needed to carry out my work as an MEP are fully compliant with the rules established by the European Parliament. The funds received from Parliament are properly accounted for and subject to annual returns to the Parliament's Members Services Division.

I have 3 accredited assistants who appear on Parliament's public register. They have contracts formally registered with the European Parliament that meet all UK employment law requirements. All the necessary tax and national insurance requirements are paid.

Also, in my UK office I have a full time Press Officer/PA and a part time secretary. From time to time I have parliamentary interns based in my Brussels and Strasbourg offices.

Additionally, I have contracts with 3 service providers, registered with the European Parliament. The services provided are:

- A regional marketing and communications service, shared with the other 2 West Midlands Conservative MEPs
- A service contract with a fully qualified chartered accountant responsible for the payment of all salaries and other costs associated
- A part time Brussels based secretarial service

None of the above mentioned are related to me in any way.

Dear Sirs,

I have been trying without success to up-date my Register of Members Interests entry on the computer system and I am therefore writing to you to provide information which I hope can be transferred to the Register in the form of this letter.

The entry to be revised and up-dated is 'section D: Further Information'. The addition to this section should read:

Hospitality received from the Norwegian Conservative Party during a visit to Oslo
12th/13th February 2008.

I trust that you will be able to make the necessary adjustments.

Yours Faithfully, _____

Philip Bradbourn OBE, MEP
