I won a second prize of \$50,000 (Fifty Thousand Dollars US) from the John Templeton Foundation 'The Power of Purpose' international essay competition, for a 3000 word essay on the suffering of the people of Semipalatinsk, East Kazakhstan, where the Soviets tested 607 nuclear bombs. I presented the entire \$50,000 to Mercy Corps Scotland, a registered charity, to enable them to purchase specialist equipment for the oncology hospital in Semipalatinsk City and to provide assistance to local people endeavouring to set up small businesses in Semipalatinsk through their micro-credit loan programme.
